

Mindful Meditation 12: Rise Above: 'Tree of Life' Business Vision

Hey there, Faithgineer,

Welcome to another session in our Mindfulness Meditation series. In today's session, we are visualizing parallels between the vitality of the 'tree of life' (*as described in the book of Revelation*) and the thriving spirit of our Christ-centered business ventures.

Envisioning the Tree of Life in Your Business

As you find a peaceful place to meditate, allow yourself to relax and take deep, calming breaths. With each breath, feel a sense of clarity and divine connection flowing through you.

Visualize your business as a tree of life, magnificently taking up space in the heart of the marketplace. Picture your business ventures standing tall and central, visible and commanding, beacons of divine purpose and prosperity.

Diversity and Abundance in Business Ventures

Imagine your business ventures like branches, each bearing a diverse range of fruit. The fruit represents the unique programs, products, and services you offer. Envision at least twelve distinct types of fruit, each symbolizing a unique aspect of value you bring to your client community and the marketplace as a whole.

Nurturing and Impactful Offerings

Like the 'tree of life,' see your business producing fruit every month, each offering nurturing, healing, and impactful benefits to those you serve in your client community and the marketplace as a whole.

Feel the satisfaction and joy of knowing your business ventures create value that tangibly improves the lives of your clients and customers, thereby significantly contributing to making the earth more like it is in heaven.

Fruit of the Spirit in Business

Reflect on the fruit your business bears, recognizing this fruit as manifestations of Holy Spirit. Bring to your awareness the fact that through your business ventures, you are enhancing lives, bringing spiritual principles into the marketplace, and making a meaningful difference that is worthy of your call to business.

Inspiration from Scripture

Let's draw inspiration from Revelation 22:1-2, taking this moment to envision the river of life, clear as crystal, flowing from the divine throne of God.

Picture your business on the main street of this heavenly city, a tree of life flourishing with diverse fruits of success, influence, and spiritual alignment.

Embracing Your Divine Role in the Marketplace

As we wind down this meditation, take a moment to embrace your role in transforming the marketplace so that it models bible-based principles and Christ-centered practices.

Just as the tree of life stands central and bountiful, see your business ventures as a central force for good, prosperity, and divine purpose. Feel empowered and guided to take steps that align your business ventures very closely with this vision of the tree of life – flourishing, nurturing, diverse, and spiritually aligned.

May your business journey be blessed with abundance, visibility, and a deep impact that resonates with God's divine blueprint for prosperity and service through what He has called, anointed, and equipped you to do.

We ask for these things in the name of Jesus.

Amen.
