

## Mindful Meditation 16: Seeing with Faith - Visualizing Success

*'We live by faith, not by sight.'* 2 Corinthians 5:7

Hey there, Faithgineer,

As we gather in this mindful meditation, let's focus on the power of seeing through faith, not sight, visualizing the success that awaits us on our purposed-filled journey through the marketplace.

I invite you to find a serene space and gather your Bible, a pen, and your favorite #FaithFocusFlow notebook. Prepare yourself to hear from the Lord and to write down insights and visions that Holy Spirit reveals to you during this time of meditation and contemplation.

Let's start by taking a deep, purposeful breath. Inhale the courage and confidence that faith brings, and exhale any doubts or fears that may cloud your vision.

Breathe in boldness; breathe out hesitation.

Now, let's immerse ourselves in visions of success that, through faith, we can access, right now ...

**Envision Courage:** See yourself facing challenges with unshakeable courage, stepping out of your comfort zone to embrace the opportunities in the marketplace that God places before you.

**Envision Confidence in Your Calling:** Picture yourself moving forward with confidence, knowing you are on the path God has created for you, making decisions with clarity and conviction.

**Envision Boldness in Action:** Visualize yourself taking bold actions that align with your faith, breaking barriers, and setting new standards ... in your field.

**Envision Applause and Accolades:** Imagine receiving recognition for your innovation and commitment to serve. See the impact of your Work (with a capital W) being celebrated by your clients, customers, colleagues, and in your industry at large.

**Envision Wisdom and Expertise:** Focus on your wisdom from God, and also on the skills and expertise you have refined through study and experience. Recognize and celebrate your significant contributions and dominance in your field.

**Envision Being Qualified by God:** See yourself as being divinely qualified for your calling. Know that you are appointed and anointed by God for your unique role in business, a role that only you can fill.

**Envision Being a Blessing:** See your Work (with a capital W) significantly impacting lives, being a conduit of blessings, and transforming the experiences of others through your programs, products, and services.

**Envision Transforming the World:** Picture the ripple effect of your Work (with a capital W) in the marketplace extending beyond what you can imagine, impacting nations for generations to come.

**Envision Awards for Impact and Influence:** Imagine yourself receiving awards not just for success, but for the positive change and impactful influence you've had in your industry and on the lives and businesses of those you serve.

**Envision Legacy Beyond Lifetimes:** Finally, see your Work (with a capital W) leaving a lasting legacy, one that lives on for generations upon generations, making the earth more like it is in heaven.

As we wind down our time together in this meditation, carry these visions of success with you. Let them be a reminder that through faith, we see not just with our eyes, but with our hearts and souls.

Through faith, we visualize not only what is, but what can be through God's wisdom, grace, and mercy.

May your journey ahead be blessed with sights of success as seen through your lens of faith.

Amen.
